## Paying your plan premium

You can pay your monthly plan premium, if there is one, (including any late enrollment penalty that you may have) by mail or Electronic Funds Transfer (EFT) each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month. If you are assessed a Part D-Income Related Monthly Adjustment Amount (D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security or Railroad Retirement Board benefit check or be billed directly by Medicare. Do NOT pay Priority Health the Part D-IRMAA.

People with limited incomes may qualify for extra help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this extra help, contact your local Social Security office, or call Social Security at 800.772.1213. TTY users should call 800.325.0778. You can also apply for extra help online at [www.socialsecurity.gov/prescriptionhelp](http://www.socialsecurity.gov/prescriptionhelp). If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

If you don't select a payment option, you will get a bill each month.

### Please select a premium payment option:

Get a bill monthly and pay the plan directly by mail.

Electronic funds transfer (EFT) from your bank account each month.

**You must enclose a VOIDED check**, otherwise you will be billed directly for your monthly premium.

Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check. (The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

**Please read and sign below**

**By completing this enrollment application, I agree to the following:** Priority Health Medicare plans are Medicare Advantage plans and have a contract with the federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: October 15-December 7 of every year) or under certain special circumstances. Priority Health Medicare serves a specific service area. If I move out of the area that Priority Health Medicare serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of Priority Health Medicare, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Priority Health Medicare when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that Priority Health Medicare provides coverage for me in the United States and around the world for emergency and urgent care.

For **Priority**Medicare Key, **Priority**Medicare Value and **Priority**Medicare plan enrollees: I understand that beginning on the date Priority Health Medicare coverage begins, I must get all of my health care from Priority Health Medicare network providers, except for emergency or urgently needed services, out-of-area dialysis services and out of network services explicitly covered under my Priority Health Medicare Point of Service (POS) benefit plan. Services authorized by Priority Health Medicare and other services contained in my Priority Health Medicare Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, neither Medicare nor Priority Health Medicare will pay for the services.

For **Priority**Medicare Select, **Priority**Medicare Merit, and **Priority**Medicare Ideal plan enrollees: I understand that beginning on the date that Priority Health Medicare coverage begins using services in-network can cost less than using services out-of-network, except for emergency or urgently needed services or out-of-area dialysis services. If medically necessary, Priority Health Medicare provides refunds for all covered benefits, even if I get services out of network.

Services authorized by Priority Health Medicare and other services contained in my Priority Health Medicare Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, neither Medicare nor Priority Health Medicare will pay for the services.

For **enhanced vision, dental and hearing package enrollees**, I understand that the enhanced vision, dental and hearing package is offered through vendors contracted with Priority Health Medicare to offer these services. The enhanced vision benefit is offered through EyeMed. Benefits apply to services provided by an EyeMed participating provider. If I use a non-participating provider the plan will cover the benefit at the benefit level listed on the Summary of Enhanced Vision Benefits. The enhanced dental benefit is offered through Delta Dental. Benefits apply to services provided by a Delta Dental PPO or Premier participating dentist. If I use a non-participating Delta Dental provider the plan will cover the benefit at the benefit level listed on the Delta Dental Summary of Dental Benefits. The enhanced hearing benefit is underwritten by Security Life and serviced by EPIC Hearing Healthcare. Benefits apply to services provided by EPIC Hearing Healthcare participating providers and non-EPIC Hearing Healthcare providers. If I use a non-participating EPIC Hearing Healthcare provider the plan will cover the benefit at the benefit level listed on the Summary of Enhanced Hearing Benefits or in your policy. I understand that I may be involuntarily disenrolled if I do not pay my monthly premium by the first day of the month. If Priority Health has not received my enhanced vision, dental and hearing package premium by the first of the month, they will send me a notice letting me know that my membership in the enhanced vision, dental and hearing package will end if they do not receive my premium in full within 90 calendar days.

I understand that if I am getting assistance from a sales agent, broker or other individual employed by or contracted with Priority Health Medicare, he/she may be paid based on my enrollment in Priority Health Medicare.

**Release of Information:** By joining this Medicare health plan, I acknowledge that Priority Health Medicare will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that Priority Health Medicare will release my information including my prescription drug event data to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the State where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.
