Pharmacy Directory

This booklet provides a list of Priority Health Medicare's network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Priority Health Medicare network pharmacies in your area, please visit our website at prioritymedicare.com or call Customer Service at toll-free 888 389-6648, 8 a.m. to 8 p.m., 7 days a week. (TTY users should call 711.)

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or copayments/coinsurance may change on January 1, 2013.

A health plan with a Medicare contract.

If you would prefer us to send you information in another format (like Braille or large print), please contact Priority Health Medicare at toll-free 888 389-6648 (TTY users should call 711), 8 a.m. – 8 p.m., 7 days a week.

Introduction

This booklet provides a list of Priority Health Medicare's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Priority Health Medicare's formulary. If you have additional questions, please call Customer Service at toll-free 888 389-6648, 8 a.m. to 8 p.m., 7 days a week. TTY users should call 711. Or, visit prioritymedicare.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Priority Health Medicare. In most cases, your prescriptions are covered under Priority Health Medicare only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

v: Indicates that this pharmacy participates in the Priority Health Medicare vaccine network. If you get your vaccination from one of the pharmacies in our vaccine network, then the pharmacy can bill us directly. You don't need to fill out a member reimbursement form. Your copay or coinsurance will apply.

e: Indicates that this Priority Health Medicare network pharmacy supports electronic prescribing.

How do I find a Priority Health Medicare network pharmacy in my area?

The pharmacy directory lists network pharmacy locations by pharmacy type (Retail, Mail Order, Home Infusion, Long-term Care and Indian Health Services/Tribal/Urban Indian Health Program (I/T/U)) and then alphabetically by city. Chain pharmacies are listed alphabetically by location (Michigan and national). For contact information on Priority Health Medicare network pharmacies outside of the State of Michigan please visit our website at prioritymedicare.com or call our Customer Service department at toll-free 888 389-6648, from 8 a.m. to 8 p.m., 7 days a week. TTY users should call 711.
