

Schedule of Benefits

MyPriority Short-termSM

80% Network — 60% Non-Network

Your Policy provides you with important information about your health care benefits, including prior approval requirements and your Coverage level choices. You may obtain medical services from a Network Provider and receive a higher level of benefits (the Network Benefits level), or you may obtain services from a Non-Network Provider and have coverage under the Non-Network Benefits level.

This Schedule of Benefits provides you with information about your costs at both benefit levels when you receive health care services and the maximum limitations of your health care benefits. Read the entire Policy, Schedule of Benefits and any Plan Addenda carefully.

In accordance with the terms and conditions of the Policy, you are entitled to Covered Services when these services are:

- A. Medically/Clinically Necessary (as defined in the Policy and according to Medical and Behavioral Health policies established by Priority Health with the input of physicians not employed by Priority Health or according to criteria developed by reputable external sources and adopted by Priority Health); and
- B. Not excluded in the Policy or in an Addendum or an Amendment to the Policy.

PRE-EXISTING CONDITION EXCLUSION

This is a non-renewable Policy. This plan is not intended to be of a permanent nature and does not cover Pre-Existing Conditions. Benefits will be excluded for each Illness or Injury or condition for which, during the five year period prior to your effective date, medical advice, diagnosis, care or treatment was recommended by or received from a Health Professional. For purposes of this limitation, "treatment" includes the use of prescription drugs. Genetic information is not treated as a Pre-Existing Condition in the absence of a diagnosis of a condition related to the genetic information. This Pre-Existing Condition exclusion will apply for the full Policy Term.

Short-term policies can be written for two separate Policy Terms so long as the total period of coverage does not exceed six months in any twelve month period. Each Short-Term Policy will have its own effective date and all benefit provisions must be re-satisfied. A Condition Covered under a prior Short-Term Policy may be considered a Pre-Existing Condition under this Policy.

PRIOR APPROVAL

Prior approval is required before you may obtain certain services. If you seek services that require prior approval, without receiving prior approval from us, your benefits will be reduced for those services. You will also be responsible for those services that are beyond those approved, beyond the benefit maximums or excluded from Coverage.

You or your physician must call (800) 269-1260 to obtain prior approval for services. Emergency admissions must be reported to us as soon as reasonably possible after admission.

DEDUCTIBLE AND OUT-OF-POCKET MAXIMUMS

A. Deductibles:

The Deductible is the amount you must pay for Covered Services during the Policy Term before benefits will be paid. The Network Benefits Deductible and the Non-Network Benefits Deductible apply to all Covered Services except prescription drug benefits.

Notwithstanding the above, the following out-of-pocket Member costs do not apply towards the Deductibles:

- any monies you paid for Non-Covered Services; and
- any monies you paid for Covered Services that exceed the annual day, visit or dollar benefit maximum for a specific benefit and therefore, denied as non-Covered Services; and

- any reduction in payment for failure to preauthorize services; and
- any monies you paid to providers for Non-Network Benefits that exceed Reasonable and Customary; and
- any monies you paid for Covered Services after the Lifetime Benefit Maximum is exhausted.

The Network and Non-Network Deductibles are calculated separately. Deductible amounts you pay, whether under the Network Benefits or Non-Network Benefits, are excluded from any Network or Non-Network Out-of-Pocket Maximums.

The Deductible applies to each Policy Term. Deductible amounts do not carry over into a new Policy Term.

Deductibles	Network Benefits	Non-Network Benefits
Subscriber Only Contract	\$1,000.00 Deductible	\$2,000.00 Deductible
Subscriber Plus Dependent(s) Contract	\$1,000.00 Deductible per Member but not to exceed two Deductibles per family per Policy Term	\$2,000.00 Deductible per Member but not to exceed two Deductibles per family per Policy Term

B. Out-of-Pocket Maximums:

The Out-of-Pocket Maximum applies to certain Network Benefits level services. The Network Benefits Out-of-Pocket maximum limits the total amount of Covered Network Benefits expenses that you or your Covered Dependents will pay during a Policy Term, except as described below.

Out-of-Pocket Maximums	Network Benefits	Non-Network Benefits
Subscriber Only and Subscriber Plus Dependent(s) Contracts	\$1,000.00 Out-of-Pocket Maximum per Member per Policy Term	Not Applicable

Amounts paid for any of the following will not apply toward the Out-of-Pocket Maximum:

- any monies you paid for prescription drugs – retail pharmacy
- any reduction in benefits for failure to obtain prior approval when necessary
- Deductibles
- any monies you paid for non-Covered Services
- any monies you paid for Covered Services that exceed the annual day/visit or dollar benefit maximum for a specific benefit and therefore, denied as non-Covered Services
- any monies you paid to providers for Non-Network Benefits
- any monies you paid to providers for Non-Network Benefits that exceed Reasonable and Customary
- any monies you paid for Covered Services after the Lifetime Benefit Maximum is exhausted

After meeting the Out-of-Pocket Maximum, the Copayments for Network Benefits services still apply.

Note: Copayments made for any Network Benefits Covered Services obtained under a supplemental benefit Addendum may not be applied toward the above Network Benefits Out-of-Pocket Maximum. If your plan has a Deductible, the Deductible amounts you pay will not apply toward the Network Benefits Out-of-Pocket Maximum.

Note: If the Network Benefits Out-of-Pocket Maximum is reached during a Policy Term, Priority Health will pay 100% of the Covered Network Benefits Services that apply toward Network Benefits Out-of-Pocket Maximums as incurred by that Member for the rest of the Policy Term

Note: If the reduction in benefits for failure to obtain prior approval applies, the amount Priority Health pays will be reduced even if the Network Benefits Out-of-Pocket Maximum has been reached.

C. Maximum Lifetime Benefit Per Member:

\$1,000,000.00 is the combined lifetime maximum benefit per Member for all Network and Non-Network Covered Services under all Short Term Policies*.

MAXIMUM LIMITATIONS

- * **Benefit Maximums:** Benefit maximums up to a certain number of days/visits/dollar amounts per Policy Term are reached by combining either Network or Non-Network Benefits up to the limit for one or the other, but not both. (Example: If Network Benefits is for 30 visits and Non-Network Benefits is for 30 visits, the maximum benefit is 60 visits, not 120.) Benefit maximums apply even when continued care is Medically/Clinically Necessary beyond the benefit maximum.
