of your practice

## Code with Confidence

Fall 2011

9 evening classes

**This course is designed for those wanting an intensive coding course to increase their coding confidence and/or preparation for national coding certification.**

- Attendees will receive the “Step-by-Step Medical Coding workbook.
- Class time is from 5:30 p.m. – 8:00 p.m.
- Attendees will need to bring their own 2011 CPT, ICD-9-CM Vol I & II and a 2011 HCPCS. Please set aside 4-6 hours per week to study at home.
- Class details including the syllabus will be e-mailed approximately two weeks before class.
- This class does not include registration for the exam. It is not required that you take a certification exam. <http://www.aapc.com/certification/cpc.aspx>
