III. Selecting a Dentist

You may choose any Dentist, so long as that Dentist has not affirmatively opted out of Medicare participation. If you receive services from a Dentist that has affirmatively opted not to participate with Medicare, Delta Dental will be unable to make any payments to either you or your Dentist and you will be responsible for all costs. Prior to receiving services from your Dentist, you should confirm whether or not your Dentist has affirmatively opted out of Medicare participation.

When selecting a Dentist, your out-of-pocket costs are likely to be less if you go to a Delta Dental Medicare Advantage Participating Dentist. Medicare Advantage Participating Dentists agree to accept payment according to the applicable Delta Dental Medicare Advantage Participating Dentist Agreement and, in most cases, this results in a reduction of their fees. Additionally, when receiving treatment from a Delta Dental Medicare Advantage Participating Dentist, your out-of-pocket costs may be further reduced if you go to a Delta Dental Medicare Advantage PPO Dentist. To verify that a Dentist is a Medicare Advantage Participating Dentist, you can use Delta Dental's online Dentist Directory at <http://deltadentalmi.com/Find-a-Dentist.aspx> or call (800) 330-2732 (TTY Users call 711). **When accessing Delta Dental's online Dentist Directory you must select the link labeled Medicare Advantage PPO and Medicare Advantage Premier.**

If the Dentist you select is not a Delta Dental Medicare Advantage Participating Dentist, you

will still be covered, but you may have to pay more.

If you choose a Nonparticipating Dentist, you will be responsible for any difference between the Nonparticipating Dentist Fee and the Dentist's Submitted Fee, in addition to any Copayment.

IV. Accessing your Benefits

To utilize your dental benefits, follow these steps:

1. Please read this Certificate and the Summary of Dental Plan Benefits carefully so you are familiar with your benefits, payment methods, and terms of This Plan.
2. Make an appointment with your Dentist and tell him or her that you have dental benefits with Delta Dental's Medicare Advantage Dental Plan. If your Dentist is not familiar with This Plan or has any questions, have him or her contact Delta Dental by writing to Delta Dental, Attention: Customer Service, P.O. Box 9089, Farmington Hills, Michigan 48333-9089, or calling the toll-free number at (800) 330-2732.
3. After you receive your dental treatment, you or the dental office staff will file a claim form, completing the information portion with:
 - a. Your full name and address
 - b. Your Priority Health Member ID number
 - c. Your date of birth

Notice of Claim Forms

Delta Dental does not require special claim forms. However, most dental offices have claim forms available. Medicare Advantage Participating Dentists will fill out and submit your dental claims for you.

Mail claims and completed information requests to:

**Delta Dental
P.O. Box 9085
Farmington Hills, Michigan 48333-9085**

Pre-Treatment Estimate

You or your Dentist may seek a Pre-Treatment Estimate from Delta Dental at any time. A Pre-Treatment Estimate is a voluntary and optional process where Delta Dental issues a written estimate of dental benefits that may be available under your coverage for your proposed dental treatment. Your Dentist submits the proposed dental treatment to Delta Dental in advance of providing the treatment.

A Pre-Treatment Estimate is for informational purposes only and is not required before you receive any dental care. It is not a prerequisite or condition for approval of future dental benefits payment. You will receive the same Benefits under This Plan whether or not a Pre-Treatment Estimate is requested. The benefits estimate provided on a Pre-Treatment Estimate notice is based on benefits available on the date the notice is issued. It is not a guarantee of future dental benefits or payment.

Availability of dental benefits at the time your treatment is completed depends on several factors. These factors include, but are not limited to, your continued eligibility for benefits, your available annual or lifetime Maximum Payments, any coordination of benefits, the status of your Dentist, This Plan's limitations and any other provisions, together with any additional information or changes to your dental treatment. A request for a Pre-Treatment Estimate is not a claim for Benefits or a preauthorization, precertification or other reservation of future Benefits.

Written Notice of Claim and Time of Payment

Because the amount of your Benefits is not conditioned on a Pre-Treatment Estimate decision by Delta Dental, all claims under This Plan are Post-Service Claims. All claims for Benefits must be filed with Delta Dental within one year of the date the services were completed. Once a claim is filed, Delta Dental will decide it within 30 days of receiving it. If there is not enough information to decide your claim, Delta Dental will notify you or your Dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to decide the claim, and (d)

inform you or your Dentist that the information must be received within 60 days or your claim will be denied. You will receive a copy of any notice sent to your Dentist. Once Delta Dental receives the requested information, it has 15 days to decide your claim. If you or your Dentist does not supply the requested information, Delta Dental will have no choice but to deny your claim. Once Delta Dental decides your claim, it will notify you within five days.

Authorized Representative

You may also appoint an authorized representative to deal with Delta Dental on your behalf with respect to any benefit claim you file or any review of a denied claim you wish to pursue (see the Grievance and Appeals Procedure section). You should call Delta Dental's Customer Service department, toll-free, at (800) 330-2732, or write them at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089, to request a form to designate the person you wish to appoint as your representative or you may use the CMS Appointment of Representative Form (Form CMS-1696). While in some circumstances your Dentist is treated as your authorized representative, generally Delta Dental only recognizes the person whom you have authorized on the last dated form filed with Delta Dental. Once you have appointed an authorized representative, Delta Dental will communicate directly with your representative and will not inform you of the status of your claim. You will have to get that information from your representative. If you have not designated a representative, Delta Dental will communicate directly with you.

Questions and Assistance

Questions regarding your coverage should be directed to Delta Dental's Customer Service department, at (800) 330-2732 (toll-free). You may also write to Delta Dental's Customer Service department at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089. When writing to Delta Dental, please include your name, your Priority Health

Member ID number, and your daytime telephone number.

V. How Payment is Made

If your Dentist is a Medicare Advantage Participating Dentist, Delta Dental will base payment on the Maximum Approved Fee for Covered Services.

Delta Dental will send payment directly to the Medicare Advantage Participating Dentists and you will be responsible for any applicable Copayments or Deductibles. Unless prohibited by federal law, you will be responsible for the Maximum Approved Fee for most commonly performed non-covered services. For other non-covered services, you will be responsible for the Dentist's Submitted Amount.

If your Dentist is a Nonparticipating Dentist, Delta Dental will base payment on the Nonparticipating Dentist Fee for Covered Services.

For Covered Services rendered by a Nonparticipating Dentist, Delta Dental will usually send payment to you, and you will be responsible for making full payment to the Dentist. You will be responsible for any difference between Delta Dental's payment and the Dentist's Submitted Amount.

VIII. Coordination of Benefits

The Coordination of Benefits ("COB") provision applies when a Person has health care coverage under more than one plan. "Plan" is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans does not exceed 100 percent of the total Allowable Expense.

Definitions

Plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.

1. Plan includes: group and non-group insurance contracts, medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.

2. Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; or coverage under other federal governmental plans that do not permit coordination.

Each contract for coverage under (1) or (2) above is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

This Plan, for purposes of this section, means the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

Order of Benefit Determination Rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan.

When This Plan is primary, it determines payment for its Benefits first before those of any other Plan without considering any other Plan's Benefits. When This Plan is secondary, it determines its Benefits after those of another Plan and may reduce the Benefits it pays so that the total benefits paid by all Plans do not exceed the Submitted Amount. In no event will This Plan's payments exceed the Maximum Approved Fee.

Order of Benefits Determination Rules

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

1. This Plan will pay primary over any Medicaid or Retiree Plan that you may have.

2. This Plan will pay secondary to any employer sponsored, automobile, group, or individual Plan you may have, except for those listed in (1) above.
3. If This Plan is the Primary Plan, it will pay its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
4. Except as provided in the following paragraph , a Plan that does not contain a COB provision is always primary unless otherwise required by law.

Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder, shall be secondary regardless of whether or not it contains a COB provision.

5. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

Effect on the Benefits of This Plan

When This Plan is secondary, it may reduce its Benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Submitted Amount. In determining the amount to be paid, This Plan will calculate the benefits it would have paid in the absence of other health care coverage (Maximum Approved Fee) and apply that the remaining amount that you owe to the Dentist following the Primary Plan's payment. The amount paid by This Plan will not exceed the Maximum Approved Fee.

Right of Recovery

If the amount of the payments made by Delta Dental is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

Coordination Disputes

If you believe that we have not paid a claim properly, you should first attempt to resolve the problem by contacting us. You or your Dentist should contact Delta Dental's Customer Service department and ask them to check the claim to make sure it was processed correctly. You may do this by calling the toll-free number, (800) 330-2732, and speaking to a telephone advisor. You may also mail your inquiry to the Customer Service Department at PO Box 9089, Farmington Hills, Michigan, 48333-9089. You may also follow the Grievance and Appeals Procedure below

IX. Grievance and Appeal Procedures

What to do if you have a problem or concern

This section explains two types of processes for handling problems and concerns:

- ◆ For problems related to benefits or coverage, you need to use the process for making appeals.
- ◆ For problems other than those related to benefits or coverage, you need to use the process for making grievances.

Both of these processes have been approved by Medicare. To ensure fairness and prompt handling of your problems, each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

Which one do you use? That depends on the type of problem you are having. The following is a brief description of each procedure. For a full description of these procedures, you should follow the process described in your **Priority Health plan coverage documents or call the Customer Service number on the back of your member ID card.**

You should contact us right away. An appeal or grievance must be made within **60** calendar days after you had the problem you want to appeal or complain about.

Making an appeal

If we make a coverage decision and you are not satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you make an appeal, we review the coverage decision we have made to check to see if we were following all of the rules properly.

Delta Dental will notify you or your authorized representative if you receive an Adverse Benefit Determination after your claim is filed. If Delta Dental informs you that the Plan will pay the benefit you sought but will not pay the total amount of expenses incurred, and you must make a Copayment to satisfy the balance, you may also treat that as an Adverse Benefit Determination.

If you receive notice of an Adverse Benefit Determination, and if you think that Delta Dental incorrectly denied all or part of your claim, you can appeal. You can send your dispute to:

Priority Health

**Customer Service Department, MS1150
1231 East Beltline Ave, NE
Grand Rapids, MI 49525**

or

Fax: (616) 975-8827

Please include a copy of your Explanation of Benefits and describe the problem. Be sure to include your name, your telephone number, the date, and any other information about your claim that you would like considered.

Filing a Grievance

The Grievance process is used for certain types of problems only. This includes problems related to quality of care, waiting times, and the customer service you receive. This type of complaint does not involve coverage or payment disputes. The following explains how to use the process for filing a grievance.

Usually, calling **Priority Health** is the first step. If there is anything else you need to do, Priority Health will let you know. Call the Customer Service number on the back of your member ID card.

If you do not wish to call (or you called and were not satisfied), you can put your complaint in writing and send it to **Priority Health**. If you put your complaint in writing, we will respond to your complaint in writing. You can send your complaint to:

Priority Health

**Customer Service Department, MS1115
1231 East Beltline Ave, NE
Grand Rapids, MI 49525**

or

Fax: (616) 975-8826

Please include your name, your telephone number, the date, and any other information about your claim that you would like considered.

X. Termination of Coverage

Benefits will cease on the last day of the month in which you are terminated. You do not need to pay any monthly premiums after your termination date. If you paid a complete annual premium, you are entitled to a pro-rated refund for the remaining portion of the year. You will be refunded within 30 calendar days of receipt of your disenrollment. If coverage is terminated during the calendar year, you may not re-enroll until the next annual election or special election period.

XI. General Conditions

Subrogation and Right of Reimbursement

If Delta Dental provides Benefits under this Certificate and you have a right to recover damages from another, Delta Dental is subrogated to that right.

To the extent that This Plan provides or pays Benefits for Covered Services, Delta Dental is subrogated to any right you have to recover from another, his or her insurer, or under his or her “Medical Payments” coverage or any “Uninsured Motorist,” “Underinsured Motorist,” or other similar coverage provisions. You or your legal representative must do whatever is necessary to enable Delta Dental to exercise its rights and do nothing to prejudice them.

If you do not recover damages from any party or through any coverage named above, you

must reimburse Delta Dental from that recovery to the extent of payments made under This Plan.

Obtaining and Releasing Information

You agree to provide Delta Dental with any information it needs to process your claims and administer your Benefits. This includes allowing Delta Dental access to your dental records.

Dentist-Patient Relationship

You are free to choose any Dentist. Each Dentist maintains the dentist-patient relationship and is solely responsible to the patient for dental advice and treatment and any resulting liability.

Loss of Eligibility During Treatment

If you lose eligibility while receiving dental treatment, only Covered Services received while you are covered under This Plan will be payable.

Certain services begun before the loss of eligibility may be covered if they are completed within 60 days from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental. The difference between Delta Dental's payment and the total fee for those services is your responsibility.

Late Claims Submission

Delta Dental will make no payment for services or supplies if a claim for such has not been received by Delta Dental within one year following the date the services or supplies were completed.

Change of Certificate or Contract

No agent has the authority to change any provisions in this Certificate or the provisions of the contract on which it is based. No changes to this Certificate or the underlying contract are valid unless Delta Dental approves them in writing.

Actions

No action on a legal claim arising out of or related to this Certificate will be brought within 60 days after notice of the legal claim has been given to Delta Dental, unless prohibited by applicable state law. In addition, no action can be brought more than three years after the legal claim first arose or after expiration of the applicable statute of limitations, if longer. Any

person seeking to do so will be deemed to have waived his or her right to bring suit on such legal claim. Except as set forth above, this provision does not preclude you from seeking a judicial decision or pursuing other available legal remedies.

Governing Law

This Certificate and the underlying group contract will be governed by and interpreted under Centers for Medicare and Medicaid (CMS).

Right of Recovery Due to Fraud

If Delta Dental pays for services that were sought or received under fraudulent, false, or misleading pretenses or circumstances, pays a claim that contains false or misrepresented information, or pays a claim that is determined to be fraudulent due to your acts, it may recover that payment from you. You authorize Delta Dental to recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from any payments properly due to you. Delta Dental will provide an explanation of the payment recovery at the time the deduction is made.

Legally Mandated Benefits

If any applicable law requires broader coverage or more favorable treatment for you than is provided by this Certificate, that law shall control over the language of this Certificate.

Priority Health has HMO-POS and PPO plans with a Medicare contract. Enrollment in Priority Health Medicare depends on contract renewal. Benefits, premiums and copayments/coinsurance may change on January 1 of each year.

Any person intending to deceive an insurer, who knowingly submits an application or files a claim containing a false or misleading statement, is guilty of insurance fraud.

Insurance fraud significantly increases the cost of health care. If you are aware of any false information submitted to Delta Dental, please call our toll-free hotline. We only accept anti-fraud calls at this number.
