Important Questions	Answers	Why this Matters
<b>What is the overall deductible?</b>	\$3,200 person / \$6,400 family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes, the <u>deductible</u> doesn't apply to <u>preventive care</u> , PCP visits, virtual visits, retail health clinic visits, urgent care center visits, mental health and substance abuse outpatient visits, prescription generic drugs or pediatric vision services.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	Yes. \$7,350 person / \$14,700 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	<u>Premiums</u> , <u>balance-billed</u> charges, health care this <u>plan</u> doesn't cover, additional costs you may pay if you choose to receive a brand name drug when an equivalent generic drug is available or a non-preferred drug when a preferred drug is available, services that exceed an annual day/visit limit, and any <u>co-pays</u> and <u>co-insurance</u> you pay for any non-essential health benefits.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes. You will receive care within the St. Joseph Mercy Health System Network of doctors and hospitals located around Oakland, Macomb, Wayne, Washtenaw and Livingston counties. See PriorityHealth.com or call 1-800-528-8762 for a list of <u>participating providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do I need a referral to see a specialist?</b>	No, you don't need a referral in order to receive the preferred benefit for services provided by a <u>participating specialist</u> . Yes, you do need a referral in order to receive the preferred benefit for services provided by a <u>non-participating specialist</u> .	You can see the in-network <u>specialist</u> you choose without a <u>referral</u> . This <u>plan</u> will pay some or all of the costs to see an out-of-network <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All co-payment and co-insurance costs shown in this chart are after your deductible has been met, if a deductible applies.
