**Prior authorization criteria**

The following requirements need to be met before this drug is covered by Priority Health Medicare. These requirements have been approved by the Centers for Medicare and Medicaid Services (CMS), but you may ask us for an exception if you believe one or more of these requirements should be waived.

1. Advanced renal cell carcinoma
2. Pancreatic neuroendocrine tumor
3. Gastrointestinal stromal tumor after a trial with Gleevec

**Medically accepted indication**

This drug is only covered under Medicare Part D when it is used for a medically accepted indication. A medically accepted indication is a use of the drug that is *either*:

- approved by the Food and Drug Administration. (That is, the Food and Drug Administration has approved the drug for the diagnosis or condition for which it is being prescribed.)
- — or — supported by certain reference books. (These reference books are the American Hospital Formulary Service Drug Information, the DRUGDEX Information System, and the USPDI or its successor.)

**Priority Health Precertification Documentation**

Please indicate which of the following criteria applies to the patient:

- Advanced renal cell carcinoma
- Pancreatic neuroendocrine tumor
- Gastrointestinal stromal tumor
