SECTION 2. Obtaining Covered Services

Priority Health Medicare Supplement Plan C helps pay some of the costs Medicare does not pay. This plan will extend benefits beyond those that Medicare offers to you.

By choosing to enroll as a Priority Health Subscriber, you agree to abide by the rules as stated in this Certificate. This Certificate will be issued to Eligible Subscribers in exchange for Premium paid to us.

You need to use both your red, white and blue Medicare card and your Priority Health ID Card for health care services. Your Medicare provider must first bill Medicare for Medicare Covered Services. For services that are Covered by Medicare, we will pay your Medicare coinsurance, copayment or deductible amount as specified in this Certificate only.

If Medicare changes benefits, coinsurance, copayments or deductibles, this Certificate will automatically adjust to include those changes.

Any changes must be in writing and approved by us and the Director of the Michigan Department of Insurance and Financial Services (DIFS).

SECTION 3. Eligibility

A. Medicare Supplement Eligibility

- (1) You must be enrolled in Medicare Part A and Part B to have Medicare Supplement Plan C Coverage.
- (2) You must be a permanent resident of the State of Michigan and physically reside in Michigan at least six months of every year.
- (3) You must meet our medical criteria.
- (4) You must not continue to be enrolled in any other group or non-group Medicare Supplement program or Medicare Advantage plan if you are Covered under this Certificate.
- (5) You must not enroll in any other group or non-group Medicare Advantage or Medicare Supplement program if you want to remain Covered under this Certificate.

B. Change in Eligibility Status

You agree to notify us in writing or by calling our Customer Service Department within 30 days of any change in eligibility status. If you are no longer eligible for Coverage, you are responsible for payment for any services or benefits.

C. Medicaid Eligibility

You may be eligible for Medicaid. If so, the Coverage and Premium under this Certificate will be suspended for up to 24 months while you apply for and are entitled to Medicaid Coverage. You must request this suspension within 90 days of becoming entitled to Medicaid benefits. When we are notified, we will refund any Premium you had paid for the time you were Covered by Medicaid, less any amount for claims we have paid.

When you are no longer entitled to Medicaid benefits, you must let us know within 90 days of losing Medicaid and we will renew your Medicare Supplement contract. Your contract will be effective back to the date you lost Medicaid Coverage if you pay the Premiums.

SECTION 4. Enrollment

To apply for Coverage, you must submit a completed application to us. Medicare enrollment will be verified.

SECTION 5. Effective Date of Coverage

The Effective Date of Coverage is the first of the month following receipt of your completed and accepted application or a date specified in your application. The date must be a date in the future. We will verify your enrollment in Medicare Part A and Part B.

We shall not deny a claim for losses incurred more than 6 months from the Effective Date of coverage because it involved a preexisting condition. This Certificate shall not define a preexisting more restrictively than to mean a condition for which medical advice was given or treatment was recommended by or received from a physician within 6 months before the Effective Date of coverage.

Services obtained prior to the Effective Date of Coverage are not Covered.

SECTION 6. Covered Services

We'll pay for your care described in this Section under the terms, conditions and provisions of this Certificate. The services you get must be reasonable and Medically Necessary for admission as an Inpatient, or for diagnosis and treatment of, an Illness or Injury. Medicare Benefits won't be duplicated.

The benefits of this Certificate will automatically change to coincide with any changes in applicable Medicare deductible or copayment amounts and coinsurance percentage factors. When benefits change, your Premium may change.

A. Hospital Inpatient Benefits:

- (1) We'll pay your Medicare Part A Hospital Inpatient deductible amount per Benefit Period.
- (2) We'll pay 100% of your Medicare Part A Hospital daily copayment from the 61st to the 90th day of your Confinement.
- (3) We'll pay 100% of your Medicare Part A Hospital daily copayment for each Medicare lifetime Inpatient day used from the 91st through the 150th day in any Medicare Benefit Period.
- (4) You may still be in a Hospital after the above benefits are paid. If so, we'll pay 100% of the Medicare Part A Eligible Expenses for hospitalization paid at the applicable prospective payment system rate, or other appropriate Medicare standard for payment, subject to a lifetime limitation benefit of an additional 365 days. This means we will pay whatever amount Medicare would have paid for the additional days.

NOTE: During this additional 365 days, the Hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

- (5) We'll pay your Medicare Part A Eligible Expenses for the first 3 pints of blood (or equivalent quantities of packed red blood cells, as defined under federal regulations), unless replaced in accordance with federal requirements.

B. Skilled Nursing Facility Care

We'll pay your coinsurance for the Medicare Part A Eligible Expenses for the 21st through the 100th day of Skilled Nursing Facility Care if (1) you were a Hospital Inpatient for at least 3 days; (2) the Hospital treated you for an Illness; (3) you incurred Medicare eligible expenses; and (4) then you were admitted to a Medicare participating Skilled Nursing Facility within 30 days after being discharged from the Hospital. The services had to be covered by Medicare. We pay no benefits for a Confinement that continues beyond the 100th day for Custodial Care, including Maintenance Care or Supportive Care.

C. Hospice Care

You must have a doctor's certification of terminal illness before you are eligible to receive this benefit. If eligible, Medicare will pay 100% of your Hospice Care costs. However, there can be additional costs associated with this type of care, including respite care and prescription drugs.

- (1) We'll pay your Medicare Part A daily coinsurance amount for inpatient Respite Care.
- (2) We'll pay 100% of your Medicare Part A copayment for each prescription drug prescribed as part of your Hospice Care.

D. Professional and Other Services:

- (1) We'll pay your Medicare Part B deductible regardless of Hospital Confinement.
- (2) We'll pay your coinsurance amount paid for Hospital outpatient department services under a prospective payment system, of Medicare Eligible Expenses under Part B regardless of Hospital Confinement, subject to your payment of the Medicare Part B deductible.
- (3) We'll pay your Medicare Part B Eligible Expenses for the first 3 pints of blood (or equivalent quantities of packed red blood cells, as defined under federal regulations), unless replaced in accordance with federal requirements. We'll also pay your coinsurance for additional Medicare approved amounts, subject to your payment of the Medicare Part B deductible
- (4) We'll pay your coinsurance amount for Medicare approved Durable Medical Equipment, subject to your payment of the Medicare Part B deductible.

E. Emergency Services Outside the United States

There is a deductible of \$250.00 for this benefit. Expenses Covered under this paragraph must add up to the deductible amount before we pay benefits. After the deductible is satisfied, we'll pay 80% of the billed Charges for expenses for Medically Necessary emergency Hospital, Physician and medical care received in a foreign country, provided:

- (1) such care would have been covered by Medicare if received in the United States; and
- (2) such care began during the first sixty (60) consecutive days of each trip outside the United States. Benefits are payable up to a lifetime maximum benefit limit of \$50,000 while you are Covered under this Certificate.

For Purposes of this benefit, "emergency Hospital, Physician and medical care" shall mean care needed immediately because of an Injury or an Illness of sudden and unexpected onset.

The provider may be required to verify services were provided.

If your provider does not send us a claim, you may send us a copy of the "Explanation of Medicare Benefits" form you receive from Medicare.

We'll pay any benefit we owe directly to the Physician, Hospital or other Health Professional that furnished the services, care, item or facility. Such payments discharge our liability for the amounts paid.

SECTION 9. Termination, Renewal and Reinstatement of Coverage

A. Termination of Certificate

As Subscriber, you may terminate the Certificate at the end of the month by giving 30 days written notice of such termination. All Coverage through this Certificate will terminate at 11:59 p.m. on the effective date of the termination of this Certificate.

If you lose your Coverage, we can collect from you all costs for Covered Services that you received and we paid for after your Coverage terminated, plus our cost of recovering those charges (including attorney's fees).

If this Certificate terminates midterm because of your death, we shall issue a pro rata refund to your estate.

B. Termination for Nonpayment of Premium

If you fail to pay the Premium by the due date, you are in default. If the default continues your Coverage will be terminated as of the last date through which the Premium was paid. If your Coverage is terminated, any benefits incurred by you and paid by us after the termination will be charged to you. A grace period of 30 days will be granted for the payment of each Premium falling due after the first Premium. During the grace period, the Certificate shall continue in force.

C. Termination for Other Reasons

Subject to reasonable notice, your Coverage may also be terminated for any of the following reasons:

- (1) You are no longer eligible for Medicare coverage.
- (2) You no longer meet eligibility requirements under this Certificate.
- (3) You provide false or misleading information or withhold material information.
- (4) We no longer offer this Coverage.

Your contract will end the last day Covered by your last payment.

NOTE: If you permanently move outside the State of Michigan after you have enrolled with us, which means you reside in Michigan for less than six months of every year, your Coverage will continue if all other eligibility requirements continue to be satisfied. You may be required to pay a higher Premium upon renewal.

D. Extension of Benefits

Termination of this Certificate shall be without prejudice to a continuous loss which commenced while the Certificate was in force. Any such extension of benefits shall only be available for such loss while you are continuously totally Disabled and shall continue to be subject to all the maximum benefit amounts and duration limitations of the Certificate. Receipt of Medicare Part D shall not be considered in determining a continuous loss.

For the purpose of this subsection, "totally Disabled" means a Physician says:

- (1) You are Confined in a hospital or Medicare certified Skilled Nursing Facility; or
- (2) You are unable to perform the substantial duties of any job or occupation for which you are qualified and in fact you are not working for any salary or profit; or
- (3) You are substantially unable to engage in the normal activities of an individual in good health of the same age and/or sex.

E. Grace Period

A grace period of 30 days will be granted for the payment of each Premium falling due after the first Premium. During the grace period the Certificate shall continue in force.

F. Immediate Termination

We can terminate your Coverage for cause immediately if we find out you have committed or attempted to commit fraud against us or you have been dishonest with us about some important or material matter. For example, we may terminate your Coverage if we find out you gave us wrong or misleading information or you let someone else use your ID Card or receive benefits in your place. If we choose, termination can be effective the day you committed the fraud or were dishonest with us. Also, we can collect from you the costs for Covered Services that you received after the effective date of termination and we paid for, plus our cost of recovering those Charges (including attorney's fee).

If we tell you we have terminated or will terminate your Coverage, we will terminate your Coverage on the date stated in the notice. If we terminate your Coverage retroactively, we will refund any Premiums you paid for the period after the termination date, offset by the amount of any Covered Services you received during that period. Also, we are entitled to reimbursement for any payments made for Covered Services you received after your termination date not offset by Premiums you paid.

NOTE: If you are still eligible for Coverage under Section 3 of this Certificate, we will not terminate your Coverage based on your health or your health care needs.

G. Renewal Terms

The initial term of this Certificate is from 12:00 a.m. of the day Coverage becomes effective through 11:59 p.m. on December 31st of that Calendar Year. Following the initial term, this Certificate will renew automatically every January 1st for an additional 12 months, subject to all terms and provisions of this Certificate, unless otherwise terminated as provided for in this Certificate. We will give you advance written notice of any change in the Premium; or material changes in Covered Services; or other provisions of this Certificate that will be effective on the renewal date.

Unless terminated for reasons stated in Section 9.C, this Certificate is guaranteed renewable for life subject to timely payment of Premium. We will neither cancel nor nonrenew your Certificate for any reason other than nonpayment of Premium, material misrepresentation, fraud or the reasons stated in Section 9.C. If you permanently move outside the State of Michigan after you have enrolled with us, which means you reside in Michigan for less than six months of every year, you may still choose to renew your Coverage if all other eligibility requirements continue to be satisfied. You may be required to pay a higher Premium upon renewal. Your Certificate may be revised to comply with federal or state law. This Certificate can't be canceled or nonrenewed solely on the grounds of deterioration of health. This Certificate automatically terminates on the date you die. Of course, you can end your Coverage at any time by writing to us. No refusal or renewal will affect an existing valid claim for Medicare Eligible Expenses Covered under this Certificate and incurred prior to the date on which this Certificate ends.

We're not responsible for notifying you when Premiums are due for Coverage provided during renewal periods under this Certificate. You can designate in writing a Remitting Agent to pay us the Premiums for this Certificate. If you do this, we can give any required notices to him/her, with the same effect as if we'd sent them to you.

H. Reinstatement

Reinstatement is subject to our right to change or terminate this Certificate (see Renewal Terms). If you end the contract by not paying your Premium, it may be reinstated. The following rules all apply:

- (1) (a) Your Coverage must be lapsed due to nonpayment of Premium; (b) you must apply for reinstatement within 1 year of the lapsed date by completing a new application including all updated health information; and (c) you want to reinstate the same Coverage you had.
- (2) We must approve your application to reinstate and determine the applicable Premium. We can approve or decline it.
- (3) If we reinstate you, losses resulting from accidents occurring or Illness beginning between the lapse date and the Effective Date of the new Certificate are not Covered.
- (4) Claims that occur in the lapse period aren't Covered.
- (5) If your application is approved, the new Certificate will be effective on the first day of the month following approval. Any Premium received shall be applied to Coverage under the new Certificate.
- (6) You must pay Premiums on a monthly basis.

I. Time Limit on Certain Defenses

After 2 years from this Certificate's original Effective Date, no misstatements in the application will be used to void this Certificate or deny a claim beginning after the 2 year period expires. This doesn't apply to fraudulent misstatements made in the application.

SECTION 10. Subrogation

You agree that we shall be subrogated to all of your rights to the extent of the benefits we provide under this Certificate. This means we can stand in your or your estate's shoes and sue a third party directly for an Illness or Injury for which we are providing services. Those rights are hereby assigned to us to that extent.

The assigned rights include, but are not limited to, rights against:

- A.** All persons or organizations, and their insurers, liable or responsible for paying for losses or damages you sustain;
- B.** Automobile liability insurance coverage;
- C.** Underinsured motorist insurance coverage;
- D.** Uninsured motorists insurance coverage;
- E.** Homeowner liability insurance coverage;
- F.** Medical malpractice insurance coverage;
- G.** Patient compensation funds; and
- H.** Any applicable umbrella insurance coverage.

The assigned rights shall not be reduced or diminished under any circumstances by attorney's fees, court costs or any other costs of collection which may be incurred by you.

We have no right to recover from you if you have not been made whole, after taking into consideration your comparative negligence. If a dispute arises between you and us over the question of whether or not you have been made whole, we have the right to a judicial and jury determination of whether you have been made whole. Such a determination shall be governed by the rules of evidence; shall require the fact finder to determine the dollar amount that makes you whole; and in all other substantive and procedural respects shall be conducted as in any other civil jury trial.

You must promptly advise us in writing whenever a claim against any person and/or organization is made on your behalf. You also must further provide to us additional information as is reasonably requested by us. You agree to fully cooperate in protecting our rights against any person and/or organization. You shall not enter into a settlement or compromise arrangement with any person and/or organization without our prior written consent. Entering into any such settlement or arrangement is a breach of this contract; such a breach shall be deemed to prejudice our rights.

SECTION 11. Recovery of Excess Payment

We might pay more than we owe under this Certificate. If so, we can recover the excess from you, the Hospital, or other provider of care for up to one year. We can also recover from another insurance company or service plan, or from any other person or entity that has received any excess payment from us for up to one year.

SECTION 12. Non-Duplication of Benefits

- A.** We provide each Subscriber with health care services within the limits of this Certificate.
- B.** Priority Health Coverage does not duplicate benefits or pay more for Covered Services than the actual fees.

SECTION 13. Premiums

Premiums for Covered Services to be provided under this plan are listed in the letter that accompanied this Certificate.

The initial Premium will be effective for the initial term of this Certificate. We may change the Premium upon 30 days written notice to you prior to the renewal of this Certificate or a change in any applicable law or regulation having a direct and material impact upon the cost of providing Coverage to Subscribers (such as revision of the Covered Services provided under this Certificate to include benefits mandated by applicable laws). You may terminate this Certificate as of the date that the revised Premium would become effective, by providing written notice of termination not less than 10 days prior to such effective date. Additionally, your Premium may change annually based on your age as of January first.

Premiums are due in full at Priority Health on or before the first day of each month for the following month's Coverage unless arrangements have been made with us to make payments on other than a monthly basis. Each Premium period, whether monthly or otherwise, shall end at 11:59 p.m. E.S.T.

Excluding your first Premium payment, all Premium payments to Priority Health are subject to a 30-day grace period. During this time Premiums may be made to us without lapse of Coverage.

If the Premium is not paid within that grace period, your Coverage will be terminated as of the end of that period. If you fail to pay the required Premium and Coverage is terminated, we can collect from you all costs of Covered Services that you received and we paid for during the 30-day grace period, plus our costs of recovering these Charges (including attorney's fees).
