

Priority Health 2023 Specialty Drug Savings Benefit Medication List

Effective July 1, 2023

The specialty medications included in the Specialty Drug Savings medication list are specific to your plan's prescription drug benefit and subject to change at any time. Prescription drug benefit plan terms will always take precedence. Medications with prior authorization criteria must be approved in advance by the plan and follow applicable laws and/or regulations. By enrolling in the available manufacturer assistance program and consenting to SaveOnSP monitoring your pharmacy account, **your final cost will be \$0***. Specialty medications will be filled through your approved specialty pharmacy.
