Notice to applicant regarding replacement of Medigap coverage

Priority Health, 1231 E. Beltline NE, Grand Rapids, MI 49525

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application or the information you have furnished, you intend to drop or otherwise terminate existing Medigap coverage or a Medicare Advantage plan and replace it with a certificate to be issued by Priority Health. Your new certificate provides thirty (30) days within which you may decide, without cost, whether you desire to keep the certificate.

You should review this new coverage carefully, comparing it with all disability and other health coverage you now have. You should terminate your present coverage only if, after due consideration, you find that purchase of this Medicare Supplement coverage is a wise decision.

Statement to applicant by Priority Health, agent, broker or other representative:

I have reviewed your current medical or health coverage as disclosed to me. The replacement of coverage involved in this transaction does not duplicate your existing Medigap coverage or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medigap coverage or leave your Medicare Advantage plan, to the best of my knowledge. The replacement plan is being purchased for the following reasons (check one):

- Additional benefits
- No change in benefits, but lower premiums
- Fewer benefits and lower premiums
- My plan has outpatient prescription drug coverage and I am enrolling in Part D
- Disenrollment from a Medicare Advantage plan

Please explain reason for disenrollment _____

- Other (please specify) _____
- Did not* replace existing Medigap coverage

If, after thinking about it carefully, you still wish to drop your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the insurer to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed, and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new certificate and are sure that you want to keep it.
